

## Press release

### ART ON PAPER AMSTERDAM

From Thursday, March 16 to Sunday, March 19, 2023,

A new international edition of the contemporary art fair Art on Paper Amsterdam.

This annual event specializes in work on and made of paper, brought by approximately 25 Dutch and 25 foreign galleries.

Work on paper, whether charcoal, pen and ink, watercolor, gouache or collage, often shows the artist in the most spontaneous and artistically free moment. The immediacy associated with this medium brings artist and art lover very close together. In their intimacy and vulnerability, works on paper thrive among the exclusive attention they receive at specialized art fair such as Art on Paper Amsterdam.

Art on paper has a special artistic character and is often accessible in terms of size and price. It therefore also appeals to an audience of novice art buyers.

The fair is organized by Onderneming & Kunst, which also organizes the annual KunstRAI, in collaboration with Jeroen Dijkstra of Livingstone Gallery in The Hague, as curator for the Dutch part. The committee members for Germany and Belgium are respectively Martin Mertens (Gallery Martin Mertens, Berlin) and Stijn Coppejans (Coppejans Gallery, Antwerp).

At Art on Paper Amsterdam 2023, the Chabot Museum in Rotterdam is organizing an extensive exhibition of Dutch artist Armando's extensive collection of works on paper. Armando (1929 – 2018) was a man of many talents. He was a visual artist, poet, theater maker and violinist. During his life he collected 400 works by 121 fellow artists, often as an anonymous buyer. Many did not know that Armando had bought their work. In 2014 he donated his private collection to the Chabot Museum in Rotterdam
